Millhouses Park

The Missing Links

Several lengths of the River Sheaf Walk & Cycleway have not been constructed. The Sheaf & Porter Rivers Trust is pressing the City Council, Landowners and developers to protect a route through the planning process and help to fund and construct these important sections of the walk.

RIVER SHEAF WALK

Updated January 2021

Project Managed by
Sheffield City Council
Environmental Planning Team

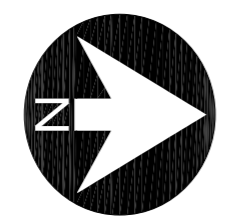

A total of 10 information wheels are now located along the route from Granville Square to Millhouses Park. Waymarking finger posts are in position to direct people along the path.

KEY

- Accessible Route
- Steep section of path. Accessible but sharp inclines.
- Stepped route
- Route signs
- Missing Route signs
- Information wheels
- Missing River Walk, Future links
